Important Changes in the IAPT Essay Competition NCEWP-2021

Looking at the Covid-19 scenario, restrictions are expected to continue in the near future. It will be difficult to assemble students at one place and conduct the essay competition following rules of social distancing and other potential protocols.

Now all the RC's will conduct the regional level essay competition digitally. Students at all the levels i.e. Higher Secondary/UG/PG can submit their essays through e-mails to President/Secretary/EC member of the respective regional council.

Students will send their entries duly forwarded through respective school/college/institute to the appropriate Regional Council (RC) with all contact details clearly. The RC's will have the initial scrutiny at their level. They will select 2 best essays from each level. Thus each RC will submit 6 best entries to the national competition.

Similarly, Teachers & Science Communicators will send their entries through e-mails duly forwarded directly to the Coordinator/Member.

Exception: Retired teachers can self-attest their entry. All entries (in English only) will be scrutinized in all respects, and will be assessed by three evaluators.

The last date for essay submission is 30th July, 2021.

Final entries for the national competition must be submitted in PDF format by e-mail to any one of the following:
