

Silver Jubilee Celebration of IAPT RC-6 Innovation Hub Installation

The innovation Hub project started by RC-6, from 2017, in which they have set up a Science Gallery in many institutions, with several working models to demonstrate the fundamental concepts where students from age group 6 to 20 or higher, can Play, have Fun and enjoy Learning. This requires a independent space with in institute about 600-1000 square feet laboratory with in house teachers as mentors. The funds are provided by individual institution to IAPT RC-6 and they provide all working models literature and instructions for demonstration and maintenance.

Innovation Hub Locations are:

1. Vivekananda Global University, Jaipur
2. Hans Raj Mahila Maha Vidyalaya, Jalandhar
3. SV Public School, Jaipur
4. Rani Laxmibai Mahila Mavidhyalaya, Parola, Jalgaon
